

My Mission Now

Christopher J. Patton

My eyes see what is material and unreal –

Time swirling chaos without ken.

Yet, my heart is at peace

Knowing not when,

Or how, why and wherefore

God will direct me, to act.

But that is the fact

Of faith that I live by

Only.

I wish.

I hope.

I trust

In grace

Because I am not worthy,

Thus, why faith is grace:

Because, will submits to Sovereign.

Blessed be the Creator,

And the Mediator,

My Savior –

Salvation, who is

Yeshua, the

ONE –

I Am so, too, in Him yes the

Mystery not me,

But He who is and was will be

Eternity in Love...

So risk it all. It matters not. Be free.

Forgive me in Jesus' Name.

Cleanse me in His Blood:

The Spirit Covenant given

To those guaranteed forgiven,

Who in faith believe

They are forgiven being
Included, talked to, molded,
Conformed though flawed, enfolded in His Word -
Perfect, as He was in flesh,
Risen together in minded death
Not yet,
But yes,
So ONE...
 now
